

GATED WYES

Protek offers a wide selection of valves, including wyes, water thief and siamese. Wyes are used to divide a single flow, allowing fire fighters to extend attack lines when pre-connects do not reach. Both 2-way and 3-way wye options are available. water Thief allows fire 3-way fighters to extend attack lines from a main supply line. Siamese is used to combine several hose lines into one. Both dual-inlet and trio-inlet siamese options available.

| Style | 540 | 540-BC |
|-----------------|--------------------------------|--------------------------------|
| Material | Alloy | Brass |
| Inlet Size | 2-1/2" to 6" Female (65-150mm) | 2-1/2" to 6" Female (65-150mm) |
| Outlet Size | 2-1/2" Male x 2 (65 mm) | 2-1/2" Male x 2 (65 mm) |
| Weight Lbs (kg) | 14.3 (6.4) | 33 (15) |
